

to guarantee you a stay in complete safety and a dream vacation without depriving yourself of its emotions,

Chalet del Sogno has implemented a Covid-19 safety protocol following the guidelines of the World Health Organization and the prevention measures provided by local and national authorities, in particular Federalberghi, the Autonomous Province of Trento, ASAT Trentino Hotel Associations and the protocol Trentino Secure Clean.

This series of indications adds to the already high standards that our structure operates. Three cornerstones, yours and our health, everyone's safety and an even more attentive service.

SANITISATION AND DISINFECTION

Our property, thanks to its ventilation system created. We are located within the Adamello Brenta Natural within the bio-architecture project, allows a constant and Park, the largest protected area in Trentino and one of continuous exchange of fresh air from the outside, both the 52 European Geoparks, in the presence of the Brenta inside all the rooms and in all the common areas, ensuring Dolomites, a World Heritage Site and the immense one of the main prevention guidelines, the ventilation of Adamello glacier. the spaces.

In addition to the high cleaning standards that have always every need and level. Among the various services characterized us, with natural based products respecting your health, the environment and eco-sustainable policies, our 18 Suites as well as the common areas are sanitized with alcohol-based antiviral solutions higher than 70% or sodium hypochlorite with percentages of 0.1% or 0.5%.

All the equipment at your disposal, such as bikes and ARRIVAL AND RECEPTION means of transfer are constantly sanitized. Inside the hotel you will also find various corners with hand sanitizing gel Our staff will welcome you, as usual, on the spacious aluminum water. With this little gift we wanted

pure spring water, avoiding

problems related to the search for plastic bottles and at the the first momentsame time further eliminating the consumption of single- To ensure the safety of all, we remind our guests that if the dose plastic.

OUR TERRITORY AND NATURE

This territory allows a variety of outdoor activities, for available to you in addition to trekking poles, together with our partner Bianchi we have increased the bikes available to you, simple healthy and clean mobility.

and upon your arrival disposable mask and a recycled terrace comfortably sitting on its sofas or in the living room, where attention, distance, courtesy and pleasure will guarantee guests the possibility of always obtaining our accompany yours check-in. The safety distance is guaranteed, with the desire to make you feel at home from

body temperature exceeds 37.5°, access will not be allowed.

DISTANCE AND SPACES

The Chalet del Sogno consists of only 18 unique and large rooms. The limited number of rooms, and consequently of guests, in addition to the spaces and the personalized service, is one of the main characteristics for which our "House" is chosen, as it is so called by our guests.

The emotions of living a holiday in the mountains will have a natural distance and in complete safety thanks to the terrace and solarium, the breakfast room separate from the restaurant, the stube and the living room, and the rooms starting from 360 square ft. with large balconies or private garden.

THE SPA

We are always 18 rooms, few guests large spaces.

At the Oasis del Sogno Spa, you can take advantage of the swimming pool to cool off respecting the distance and the maximum number allowed, and in our private beauty cabin, the therapeutic and relaxing properties of mountain plants await you for an all-natural treatment. The relaxation area with its ergonomic beds and water mattresses, with controlled access, guarantees additional space of comfort.

Therapists wear the devices according to current regulations.

WIDE FLEXIBILITY

All bookings made with us by 30 September 2020 can be changed up to 7 days before arrival. In case of major events related to the virus, a voucher or a refund of the deposit will always be guaranteed.

RESTAURANTS AND BREAKFAST

Breakfast entirely a la carte in our cozy and bright room, possibility of serving it on the balcony or in the garden, and of course

in the room.

At the DuePini Restaurant, the remote tables are a prerogative of your comfort, you will also find at your table "your Menu", expertly studied by the creativity of the Chef. And if you want you can dine outdoors, under the stars or request room service. Here at Chalet del Sogno, comfort, uniqueness and personalization have always been a prerogative.

OUR STAFF

Anna, Antonello, Marianna, Daniela, Francesca, Vincenzo, Dennis, Francis, Giorgia, Stefano, Simone, Elena, Caola, Francis, Rita and all the others. They are the heart of the Chalet del Sogno.

All the staff is adequately and constantly trained to guarantee maximum safety and hygiene with the usual courtesy and hospitality.

Everyone will use safety devices where requested. We also have a Covid-19 reference person provided at the facility and the collaborators carried out the course provided by Trentino Secure Clean with certificate.
